

## Healthcare Volunteer Opportunities

Volunteering is a great way to explore the healthcare field and build your resume! There are lots of opportunities in local hospitals and healthcare facilities, for both clinical and administrative positions, check out the list below! Keep in mind that many of these positions require a commitment of several hours a week, for several months and an application is often required.

| Hospital                              | Location                                     | Opportunity  | Link  |
